#### **Facts**

17. The complaint concerns the Battle Ground House (property), which is comprised of the main house and the out buildings on a 4.4-acre plot of land in Clark County, Washington. The parties know the address of the property as the 20404 NE 242nd Avenue, Battle Ground, Washington.

18. On or about February 27, 2014, the Defendant Lisa first contacted the Plaintiff Teresa by an email from the referral of a business associate. At that time, the Defendant Lisa and her husband, the Defendant Paul, were planning to abandon their long-time family home in Battle Ground Washington because the economy was depressed, they had exhausted their savings and the lender claim exceeded the home value.

19. At that time, the Plaintiff Teresa was dealing with a cancer related health issue, which

she treated by the protocols of the Gerson Therapy. The protocols required five to six of the blood cleansing therapy sessions each day. The Plaintiff Teresa had developed a webcast training program that involved the growing of the vegetables necessary for the therapy through a hydroponics growing system.

**20.** During a telephone conversation, the Defendant Lisa stated that the house was in "turn-key" condition and that the property had the equipment and the facilities for a hydroponic growing system, which was an essential element of the business plan of the Plaintiff Teresa.

**21.** After a review of the pictures of the property and a review of the Zillow Report, which estimated the value of the house at \$280,000.00, the Plaintiff Teresa proposed an agreement for the parties to jointly own the property. At that time, the debt claim against the property was greater than its value.

**22.** Under this agreement, the parties were (1) to raise additional income through the operations of a hydroponics growing system; (2) to raise additional income through the development of a "Better than Organics" webcast program; (3) to share the expenses of the repairs and maintenance of the property; (4) to obtain a modification of the loan under the HAMP Program and (5) to own the property together.

**23.** On March 6, 2014, the Defendant Lisa granted to the Plaintiff Teresa the power to discuss the terms of a modification with the Defendant FSB by the execution of an authorization letter.

**24.** On May 27, 2014, the Plaintiff Robert and his son departed from Los Angeles in an RV with furniture and tools to get the property cleaned up and furnished for the webcast programs.

**25.** On May 30, 2014, the Plaintiff Robert and his son arrived at the property to find that all appliances had been taken or destroyed; that some cabinetry had been removed; that the furniture had been dumped into the garage; that the house was not habitable and that a squatter was living in the house. Additionally, the Plaintiff Robert and his son found postings, dated February 2013, which stated that the house had been winterized; that the foreclosure process had begun and that the property was "determined to be vacant/abandoned."

**26.** Meanwhile, the Plaintiff Teresa continued her efforts to secure a loan modification by the training and the assistance of the NEIGHBORHOOD ASSISTANCE CORPORATION OF AMERICA (NACA) and by the submission of a modification package through the CORE ADVISORY GROUP.

**27.** Additionally, the Plaintiff Teresa continued with her efforts to develop the "Better than Organics" webcast business by the production of videos, which introduced the Defendant Paul as the "Master Grower - partner in the Washington Property" and to develop the hydroponics growing business by the building of a greenhouse and by the installation of hydroponic growing systems.

**28.** From the June 1, 2014 through the current date, the plaintiffs and their son have maintained the possession of the property by their physical presence and by the payment of the utility expenses and by the payment of the maintenance expenses. Although the Defendants Paul and Lisa initially shared the expense of a riding lawn mower and the utility expenses, the plaintiffs and their son have maintained the condition of the property by the installation of various appliances, by the repair of the water lines and faucets and by the maintenance of the yard.

29. On or about January 10, 2017, the Plaintiff Teresa spoke with the underwriter of the Defendant FSB, who stated that the Defendants Paul and Lisa were more than qualified for a loan modification. However, the Defendant FSB ultimately denied the loan modification because the Defendants Paul and Lisa refused to move their bank accounts to Washington. Additionally, the Defendants Paul and Lisa told the representative of the CORE ADVISORY GROUP that "they really don't live there and only go to the property when needed."

30. On or about June 8, 2017, the Plaintiff Teresa requested the execution of an Assignment of Rights by the Defendants Paul and Lisa, who did not respond to the request.

31. The Defendants Paul and Lisa did not object or deny the claim of a fifty-percent interest in the property during the proceedings of the Bankruptcy Case No 14-13791-ABL or during the proceedings of the Bankruptcy Case No. 16-53510-SLJ.

32. On the December 19, 2017, the Plaintiff Teresa commenced the action of the Bankruptcy Case No. 17-01311-RJF by the filing of the Chapter 13 Voluntary Petition with the United States Bankruptcy Court, District of Hawaii (Hawaii Bankruptcy Court).

33. In the petition, the Plaintiff Teresa listed the property as an asset of the bankruptcy estate; claimed a fifty-percent interest in the property and identified the Defendants Paul and Lisa and the Defendant FSB as the creditors of the bankruptcy estate.

34. On March 6, 2018, the Defendant Lisa informed the Plaintiff Teresa of the listing of the property for a sale by the transmittal of an email. The Plaintiff Teresa replied with the statement, "I would prefer to buy the house in exchange for settlement of our agreement." The Defendant Lisa agreed to the sale of the property to the plaintiff by the reply of an email.

35. On or about March 23, 2018, the Defendants Paul and Lisa listed the property for sale with the Defendants KWP, McAnally, Welch, Smith and Schmitz.

36. On March 28, 2018, despite the notice of the bankruptcy case, the Defendants KWP, McAnally, Welch, Smith and Schmitz stated, "We have done the research and Paul and Lisa are free and clear to sell the property."

92. The Plaintiff Robert believes that the acts of the Defendant Wilson are for the indirect coercion of a release of the interest in the Palma Drive House in Salinas, California, which the Defendant Wilson and the Plaintiff Teresa jointly hold.

93. On and after the November 4, 2019, the Defendant Wilson had knowledge of the bankruptcy case by the access of the case record and by the notices from the Plaintiff Robert.

94. Despite the knowledge of the bankruptcy case, the Defendant Wilson acted against the interests of the bankruptcy estate (1) by the filing of the proof of claim, (2) by the failure to withdraw the proof of claim, (3) by the request to reopen the prior cases, (4) by the stalking of the plaintiffs, (5) by the interference with the relations of the plaintiffs, (6)

95. The conduct of the Defendant Wilson willfully violated the automatic stay in the Bankruptcy Case No. 19-43563-BDL (1) by the "continuation ... of a judicial, administrative, or other action or proceeding against the debtor that was or could have been commenced before the commencement of the case"; (2) by the attempt "to recover a claim against the debtor that

arose before the commencement of the case" or (3) by the act "to obtain possession of property of the estate or of property from the estate or to exercise control over property of the estate."

**96.** The conduct of the Defendant Wilson caused the sufferance of the tension, headaches, nausea, anxiety and other emotional harm, which was distinct from the stress of the bankruptcy process. The plaintiffs cringe and panic with every telephone case, every email message and every mail delivery from the fear of the loss of the consortium with family, friends and associates under the false impression of the communications with the attorneys and the defendants and with every entry upon the land by an unknown trespasser from the fear of bodily harm.

**97.** The violations of the automatic stay caused the sufferance of the injuries of the plaintiffs by the deprivation of the protection of the automatic stay, by the denial of the quiet use and enjoyment of their property, by the diminishment of the present and future interest in their property, by the deprivation of the resources for the maintenance and possession of their property and by the multiple trespasses upon the land and against the plaintiff.

**98.** The plaintiffs demand the remedy of the actual damages, of the consequential damages and of the punitive damages according to the trial proof.

### **Second Cause of the Action (Breach of the Contract)**

**99.** The plaintiffs restate the allegations of the preceding paragraphs by the point of this reference.

**100.** The Plaintiff Teresa asserts the claim of the cause of the action by the allegations against the Defendants Paul and Lisa.

**101.** On March 6, 2014, the Defendants Paul and Lisa entered into an oral contract with the Plaintiff Teresa for the sale and purchase of a fifty-percent interest in the property, which had a reasonable value of \$280,000 at the time.

**102.** Under terms of this contract, the parties were (1) to raise additional income through the operations of a hydroponics growing system; (2) to raise additional income through the development of a "Better than Organics" webcast program; (3) to share the expenses of the repairs and maintenance of the property; (4) to obtain a modification of the loan under the HAMP Program and, thereafter, (5) to own the property together.

**103.** The Plaintiff Teresa fully performed all the obligations of the contract (1) by the qualification of the Defendants Paul and Lisa for a loan modification, (2) by the repair and maintenance of the property without the cooperation and assistance of the defendants, (3) by the ongoing development and production of the webcast program without the cooperation and participation of the defendants and (4) by the ongoing operation of the hydroponics growing system without the cooperation and participation of the defendants.

**104.** The Plaintiff Teresa remains ready, willing and able to perform any additional or modified terms of the agreement to receive a good and sufficient deed to the property as promised by defendants.

**105.** On or about January 10, 2017, the Defendants Paul and Lisa breached their obligations under the contract by the failure to follow-through with the requirements to move their bank accounts to Washington and to live at the property. Although they were more than qualified for

a loan modification, the breach of the contract by the Defendants Paul and Lisa was unjustified or unexcused given the representations to the Plaintiff Teresa before the making of the agreement and the representations of the Hardship Affidavit after the making of the agreement.

**106.** The failure to satisfy the requirements of the loan modification was a total breach of the contract, which caused the injury of the Plaintiff Teresa by the deprivation of the bargain benefit for the fifty-percent ownership interest in the property.

**107.** The Plaintiff Teresa demands the remedy of the specific performance of the contract because the property is unique and the award of the money damages is inadequate compensation. The specific performance of the contract means the authorization for the payoff of the lender claims and the transfer of the title to the Plaintiff Teresa.

### **Third Cause of the Action (Breach of the Implied covenants)**

**108.** The plaintiffs restate the allegations of the preceding paragraphs by the point of this reference.

**109.** The Plaintiff Teresa asserts the claim of the cause of the action by the allegations against the Defendants Paul and Lisa.

**110.** The Defendants Paul and Lisa entered into the contract with the Plaintiff Teresa for the sale and purchase of a fifty-percent interest in the property, which had a reasonable value of \$280,000 at the time.

**111.** The contract with the Plaintiff Teresa required the best efforts of the Defendants Paul and Lisa to obtain a modification of the loan under the HAMP Program. The agreement imposed a duty on each party to refrain from doing anything that would render the performance of the contract impossible and also the duty to do everything that the contract presupposes to accomplish its purpose.

**112.** The Defendants Paul and Lisa breached implied covenant of good faith and fair dealing by the interfering with or the failing to cooperate with the Plaintiff Teresa in the performance of the contract. The Defendants Paul and Lisa refused to satisfy the requirements for the loan modification.

**113.** The breach of the implied covenant of good faith and fair dealing caused the injury of the Plaintiff Teresa by the deprivation of the bargain benefit for the fifty-percent ownership interest in the property.

**114.** The Plaintiff Teresa demands the remedy of the compensatory damages according to the trial proof.

### **Fourth Cause of the Action (Promissory Estoppel and Unjust Enrichment)**

**115.** The plaintiffs restate the allegations of the preceding paragraphs by the point of this reference.

**116.** The Plaintiff Teresa asserts the claim of the cause of the action by the allegations against the Defendants Paul and Lisa.

117. The Defendants Paul and Lisa promised the conveyance of a fifty-percent interest in the property to the Plaintiff Teresa in the exchange for the securing of the property, for the repairing and maintaining of the property and for the assisting in the claims against the property; and thereafter, promised the sale of their remaining fifty-percent interest in the property to the plaintiffs.

118. The Defendants Paul and Lisa breached the promise by their failure to satisfy the requirements of the loan modification.

119. The Plaintiff Teresa relied upon the promise by the commitment of her resources to the performance of the contract.

120. The reliance of the Plaintiff Teresa upon the promise was reasonable and foreseeable because the successful performance of the contract required the commitment of her resources.

121. The reliance upon the promise caused the injury of the Plaintiff Teresa by the deprivation of the bargain benefit for the fifty-percent ownership interest in the property.

122. The Defendants Paul and Lisa received the benefits and were unjustly enriched by the performance of the Plaintiff Teresa.

123. The Plaintiff Teresa demands the remedy by the enforcement of the promise by the Defendants Paul and Lisa

#### **Demand of the Relief**

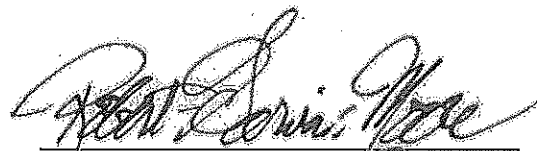

124. WHEREFORE, the Plaintiff Teresa demands the relief of the following:

- A. For the judgment of the specific performance of the contract.
- B. For the judgment of the compensatory damages according to the trial proof.
- C. For the judgment of the actual damages according to the trial proof.
- D. For the judgment of the costs and fees according to the trial proof.
- E. For any other relief that the court deems just and proper.

## INSTRUCTIONS

The filing of a bankruptcy case creates an "estate" under the jurisdiction of the bankruptcy court which consists of all of the property of the debtor, wherever that property is located. Because the bankruptcy estate is so extensive and the jurisdiction of the court so broad, there may be lawsuits over the property or property rights of the estate. There also may be lawsuits concerning the debtor's discharge. If such a lawsuit is filed in a bankruptcy court, it is called an adversary proceeding.

A party filing an adversary proceeding must also must complete and file Form 1040, the Adversary Proceeding Cover Sheet, unless the party files the adversary proceeding electronically through the court's Case Management/Electronic Case Filing system (CM/ECF). (CM/ECF captures the information on Form 1040 as part of the filing process.) When completed, the cover sheet summarizes basic information on the adversary proceeding. The clerk of court needs the information to process the adversary proceeding and prepare required statistical reports on court activity.

The cover sheet and the information contained on it do not replace or supplement the filing and service of pleadings or other papers as required by law, the Bankruptcy Rules, or the local rules of court. The cover sheet, which is largely self-explanatory, must be completed by the plaintiff's attorney (or by the plaintiff if the plaintiff is not represented by an attorney). A separate cover sheet must be submitted to the clerk for each complaint filed.

**Plaintiffs and Defendants.** Give the names of the plaintiffs and defendants exactly as they appear on the complaint.

**Attorneys.** Give the names and addresses of the attorneys, if known.

**Party.** Check the most appropriate box in the first column for the plaintiffs and the second column for the defendants.

**Demand.** Enter the dollar amount being demanded in the complaint.

**Signature.** This cover sheet must be signed by the attorney of record in the box on the second page of the form. If the plaintiff is represented by a law firm, a member of the firm must sign. If the plaintiff is pro se, that is, not represented by an attorney, the plaintiff must sign.
